“Therefore, if you bring your gift to the altar, and there recall that your brother has anything against you, leave your gift there at the altar, go first and be reconciled with your brother, and then come and offer your gift.”  
 Matthew 5:23-24

Being good stewards of the physical gifts we receive from God is important. Yet, we are also called to be responsible for the relationships in our lives. Improving relationships with our family, friends, and neighbors, especially relationships that are strained, is a higher, more mature, form of stewardship.

From the Desk of Roger Costello:

Last weekend's card party had to be truly the best one put on here at St. Luke. A lot of time and effort goes into putting this on. Our sincere thanks to all who were involved in doing so.

Also, on another note, a matter of some good news for the St. Luke Community. You may recall that Mr. Robert Thomas passed away last fall. His estate has left St. Luke a portion of some \$80,000. A blessing in the fact that the community here has several items in need of repair or replacement. Some items on the short list include another HVAC unit needs to be replaced. This will let us get the parking lot sealcoated (long overdue). We will now be able to continue our LED relamp program. We have completed the church sanctuary, some of the offices are completed. We will move on into the gym next, to the kitchen area, then across the hall to the Ed Center and rooms.

This is just a few items much needed at this time. Other items may come up through the Finance and Parish Councils as they see fit.

Our sincere thanks to Mr. Thomas in remembering his church community upon his passing as well.
